

WingsNThings

Video: The Band likes to run video on the screens in the venue whenever possible (ie, animations with the band's logo and contact information). Access to an HDMI connection on or near the stage would be appreciated. If the venue already has video production planned for the show, that's fine. Our logo is available online at <https://wingsnthings.net/promo.htm>

If video is not available, and if the band knows ahead of time, we have scrim for either side of the stage.
